

Mr. Daniel M Cooksey

February 26, 1942 - July 23, 2018

Daniel McArthur Cooksey, 76, of Tallahassee, passed away on Monday, July, 23, 2018, in Gainesville, Florida.

A son of the late Benjamin Joel Cooksey and Edith Collins Griffith, who survives, he was born in Tallahassee on February 26, 1942. He is also preceded in death by his stepmother, Etta Maude Boykin Cooksey; stepfather, Paul Griffith and brother, Jack Griffith.

He graduated from Holmes County High School in 1960 and later attended Tallahassee Community College and FSU. While attending TCC, he worked with his uncle, CA Cooksey at Culpepper Construction Company, at the FSU sign shop and also with his father. He served in the US Army and the Florida National Guard in Bonifay. Later he served as a Trooper with the Florida Highway Patrol and retired from the Florida Department of Law Enforcement.

Active in Woodmen of the World, he helped with building projects in various communities during his retirement. He loved participating in the Woodmen's Hunter Firearms Safety Courses in Liberty County, particularly working with the youth. Fishing, woodworking and hunting (however, he mainly shot with the camera) were hobbies he truly enjoyed. He also loved spending time with his family, hunting buddies, friends, and particularly with his grandson, Lukas, who was the light of his life, having left a special tree house in the back yard for him.

In addition to his mother, he is survived by his wife of 54 years, Charlotte Joyner Cooksey; daughter, Angel Cooksey Cholevik (Todd); grandson, Lukas Alan Cholevik; siblings, Floyd Griffith (Roberta), Georgia Ann Griffith Sharpe (Richard), Daisy Margaret Griffith Hayes, Donald M. Cooksey, Deborah Cooksey Brumbley (Dennis), Linda Cooksey Coleman and Janet Cooksey Johnson (Billy); sister-in-law, Julie Griffith; as well as numerous nieces, nephews, cousins and friends.

“ To Danny's family, I am so sorry for your loss. Anyone from Bonifay during the time he was growing up was like family. I am confident that those who knew him also share in your grief and loss, as do I. Danny was a few years older than me, but I remember him as a delightful "fixture" in my hometown of Bonifay. He and two of his friends, who shall remain nameless, are well known for their infamous hand hanging from the trunk prank that made the local news! It was Danny's sense of humor and personality that endeared him to everyone who knew him. I hope you find comfort in the words of encouragement and memories shared by those whose life he touched. My prayers are with you for peace and strength.

“ Dan, thank you for putting up with me when I started with FDLE. I remember your motto "a trained monkey could do this job." Mrs. Cooksey thank you for all the great meals when I stayed with you and Dan when we had to attend those awesome meetings in Tallahassee. Dan I know you are with Jesus and I will see you again one day!

“ I'm so sorry for your loss. I was a lower classmate of Danny's. We used to hang out and talk even though he was 3 years older. I enjoyed his kooky personality and friendship. May God encircle you and your loved ones and give you strength and peace for the following days. You are in my prayers. Lynda Thomas Lowery

“ Our hearts are heavy with the news of our cousin Danny's passing. He and Charlotte lived next door to my parents on Lake Talquin for so many years and I remember how comforting it was to us and my parents to spend so much time with them. What a beautiful smile and sweet spirit he had. Please know that our hearts, thoughts and prayers are with all of you now and for the days to come. We wish you peace! “ I have a lot of great memories with Danny, although I never new the M. stood for McArthur until now. That's a fitting name for a great man.

Danny was a friend, a mentor, a teacher, a confidant, a colleague and like my second father.

I had the pleasure of hunting with Danny for a few years. I killed my first deer with him. We had many great nights at the hunting camp. He loved to sit in the stand and was perfectly content filming instead of shooting. He enjoyed the camaraderie of the camp the most. He loved to hear everyone's tall tales.

Danny taught me how to fly fish. When the mayflies hatched, we'd be in the boat stretching lips. He used to have this one spot that we'd always go by first. It was the darndest thing, he'd pull up... cast at this one stump and I swear he'd catch a Largemouth Bass every single time. He'd turn and look at me and crack that grin and mutter "mmmhhmmm"

Danny was an instructor at the Pat Thomas Law Enforcement Academy. He taught a few of the classes I had in corrections and when I went through for Law Enforcement. I'm pretty sure I was his favorite student, of course. We were on the Gadsden County Sheriff's department auxillary together for about 4 1/2 years. I think he was the only Deputy that still had a revolver for his sidearm. He was old school.

He was always there whenever I needed to borrow a trailer, or a tool...or when I needed to borrow his ear. Although sometimes I'd have to speak up or repeat myself because he was half deaf... Sometimes I think he was just having fun with me. He liked to imitate Carl from Sling blade too. Mmmhhmmm

He was one of the best men I've had the pleasure of knowing and I will miss him dearly. Until we meet again Dan... Go Rest high on that mountain.

“ Charlotte, I am so saddened to hear of Dan's passing. Linda and I send our condolences to you and your family. You and your family will be in our prayers during this difficult time. Dan was one of my best friends during the many years we worked together at FDLE. It was a great pleasure to have known and worked with him. If we can do anything for you and your family, just let us know. I could share a special memory of Dan, but there was so many I wouldn't know where to begin.
