“ It is so nice to know Gary was so well thought of by his friends. Thank everyone for their kind thoughts. Gary did love to play music. He was his way of overcoming his shyness. I truly think he would even have paid the club owners for the opportunity to play if he had to. All he ever wanted to do was play. Although I had a lot of fun in playing music with him, that is really not what I remember most. I think about me and him as little kids growing up together, sharing our experiences. That is where we really bonded. Brothers sometimes fight and argue but we always had each other's back. We went through so much together, the good and the bad. I was very lucky to have him as my brother. No one knew him as well as me and no one will miss him like I will. Rip Gary. You will be truly missed and things won't ever be the same without you.

Your brother,
Ron

“ I'm so sad to learn that Gary passed away last week. Haven't seen him in years, but go back around 40 years. He was always the most gentle of the Lyda brothers, so sweet. My thoughts are with his family. A yellow rose meaning: bright, cheerful and joyful - truly what I remember about this sincere soul. A yellow rose it is for you, Gary.

“ I am so sorry to hear that Gary has passed. I have fond memories of Gary from high school in Vero Beach. We connected through our mutual love of music, but lost touch after school but reconnected online a few years ago. Gary was a kind soul and a great musician, he will be missed by all. RIP brother.

“ Both of our children went through KLES and recall Mr Gary's kindness. They would also get a kick out of seeing him onstage at Hurricane's some evenings. We send our deepest sympathies to Mr Gary's family.

“ I taught at KLES and can sincerely say that Mr. Gary was the kindest most thoughtful custodian I have ever worked with. He always came in my classroom with a smile (and often coffee and donuts) and a positive attitude and a few history facts to share. He really cared about everyone (adults and students) and will truly be missed at KLES! I am so sorry I will not be able to attend his service as I am out of town. My prayers and thoughts are with his family at this difficult time.

“ Praying for your family as you deal with the loss of such a great man. During my times of volunteering at Killlearn Lakes Elm., Mr. Gary was always willing to help with anything we needed and did so with a smile. My current KLES student said, “he was SOOOO nice and was always smiling”. My oldest daughter recalled him asking her recently if she attended Deerlake so she could say hello to his sweet granddaughter, Emily. He was obviously a proud family man whose absence on this side of Heaven will be greatly missed!

Jeni Pratts - June 30, 2019 at 07:15 AM

“ Mr. Gary was such a kind man, we talked many times at Killlearn Lakes Elementary and we always saw him around the neighborhood. He was always happy and always waved to my son and I. You and your family are in our prayers.

Nikki Versage - June 29, 2019 at 09:09 PM

“ Gary was the kindest man I have ever met. With a smile on his face he would always ask me how I was. I first met Gary when I was teaching his grandson Ryan in first grade. He would stop by and bring donuts for the class for no special reason other than he wanted to let Ryan know he loved him and put smiles on the faces of his friends. From that year on he always updated me on things that Ryan was doing. He was so proud of him and loved to tell me about the sports he was involved in and how he was playing “ jammin’ “ on the guitar. Killlearn Lakes Elementary will not be the same without him. He took the time to know many of the students at KLES and they, in return, adored him. A great man has been lost too soon. My prayers are with his wife and family.

“ Sandra Ronnie & Family,

I've been good friends with Gary for over 40 years. Your ever, so sweet husband introduced us a few years back when they were playing at the Stone Crab Festival & I could tell by the look on his face that there was a lot of love there. I'm so sorry for the pain and complete loss I know you all must feel. I feel it too, as I know many others do too. Gary was one of the happiest people & dependable friend (such a rare find these days) and he had with the biggest heart!!! He & Ronnie had such a natural talent for music, which was their compassion. He & Ronnie must have both been born with a mic and guitar in hand!!! Ronnie, I hope you will get better soon as Gary had kept me updated on what was going on with your health issues (because I asked out of concern) and he was genuinely concerned for your health, as am I. I know by losing our Mother's within a month apart that you guys have had it rough, Now this. I am truly sorry for your tremendous loss.

Sending your family my thoughts love and hugs,

Zoe (Simmons) Davis

I will be out of town & unfortunately will not be able to make it to the service, which I apologize for. I really wanted to attend (esp. to give ya'll a big heart-felt hug!!!!)

“ Gary was the most dedicated worker and also my good friend. Every morning he would come in and say "Good Morning Boss Man, what do we have going on today!" Always ready with a kind word and a smile. We both were Army guys and when it was cold out he was always ready for a hot cup of Joe in the morning. I can't express how much I will miss my friend Gary. His sense of humor, his eternal optimism, he was a great man.

“ Sandy and family- I first met Gary in the mid-80s when he was a member of the Dixie Creek band and eventually become friends with him and his mom. Through these many years, we didn't often see each other, but I considered him a friend. I first knew that he was a master musician who loved his craft. He could make a guitar talk, and he lit up a stage with his performances.

But what I came to admire even more was Gary, the man. I can't come up with any new words to describe him than have already been expressed by so many here and on Facebook. He was giving, caring, kind, gentle, positive and soft spoken. He was just a good man! He loved his music, his, job at the school, and his family. He was a cancer survivor, who loved life and was thankful for every day and lived life to the fullest.

Only God knows why he chose to take Gary that day. But may his legacy be the life he lived and the joy he brought to the lives of so many. My thoughts and prayers are with you Sandy, the family, and his bandmates throughout the years, as you come to terms with this sudden and unexpected loss.

“ Mr. Gary, A very kind gentleman! I loved the way he would greet each person he would meet with a smile and a friendly word or words of wisdom for the day! He would always ask about my husband's guitar playing when we would pass in the hall(our family saw him at Guitar Center on two occasions) and I would always ask where he was playing his next "gig". I am sorry I never got to see him play in person! Gone too soon, but sweet memories will be reflected in my heart! Thank you for your love of people and being the kind of person people love! Prayers for all who knew and loved Mr. Gary!

“ So glad I was able to make music with you these past ten years. I learned so much from you and you became not only a great bandmate but at a dear friend. You made me a better musician and, more importantly, a better person. I hope it will be awhile but in the meantime, I'll look forward to our next gig together. After all, it wouldn't be heaven without music. Rest easy Gary.

“ Been knowing Gary and Ronnie over 40 years. We used to hang out with them when they played music. Gary always let me know where they were playing when we started talking again through FB. I took my husband to see him play at the Hobbit last year and introduced them. Gary was still such a sweet person, My thoughts and prayers go out to his family and friends, he was a special man. Seeing the outpour of love for him makes my heart smile that he touched so many people in positive ways.
