“ My sweet and fiesty Nonnie, I still remember her singing Staccia Minacha to me when I was a toddler, and my kids love when I do what I'm sure is a butchered version of the rhyme. You will be missed Nonnie, you are still with us in our hearts.

“ I will never forget sitting around the kitchen table at Marilyn's house and Nonie was trying to teach me how to play a game that you had to match the pictures today in a certain order that was very easy (to most) and she was really trying hard to help me but we kept going in circles. We just laughed and laughed. Nonie loves to try to figure out patterns and puzzles. I guess that is why she loves to crochet because it has patterns. She was such a talented person.

“ Viola was my mom for 64 years. She was a wonderful lady who loved dressing up and wearing high heels. During the last few years, I had to hide her heels so she wouldn't wear them when she was already wobbly walking in flat shoes.

I am honored that I was able to provide comfort to her as she passed. She had such a peaceful and gentle passing and is now with her beloved parents and siblings in heaven.

Mom, you are greatly missed.
