“ Albert and Jeanette were special friends in the late 80's and early 90's. I enjoyed listening to him play the steel guitar. He and I attended a steel guitar convention in Water Town, Tennessee, near Nashville, around 1991. Two days of the best steel players on the planet showcasing their talent. Jeanette made the best hot potato salad I have eaten. Many special memories even though life took us in different directions. I am a better person for having met Albert and Jeanette.
