*Thank you so much for sharing the lovely service for Anita. It meant so much to be able to see family and hear how her life touched so many. I appreciated the encouragement to continue her legacy of kindness and fighting for what is right, and I appreciated the humorous anecdotes. She had a great sense of humor. I wish I could have been there in person, but I was there in spirit. (And I'm going to hang a Crystal in my window for her, as well!)*  
*Thank you for taking such good care of her-I know she treasured those moments with family. Love to you all. ❤️*
