“ Oh how we loved Aunt Anne's 12 layer cake slathered in rich chocolate ❤️ She was so sweet to all of us. Always a smile for her nieces and nephews.

“ Granny Adams quickly and lovingly welcomed me into the family the first moment we met. Over the years, I have enjoyed getting together with the family at Thanksgiving and hearing about all the mischief the grandsons would get into. Granny was an amazing cook, I am confident that I could have eaten the whole container of her cornbread dressing myself! I hope that as I age I can be more like her, strong, graceful, loving, patient, and kind. She is loved and will be truly missed by all of us.
