“ *I have many fond memories of Laurette. We went to school together for many years and graduated high school together in 1963. Our graduating class was small with only 18 of us graduating in our special little school--Greensboro High School I would see Laurette from time to time after we graduated when she worked as a food demonstrator at Sam's Club and we would strike up conversations about good days gone by. Laurette was quite. well-mannered and a very compassionate friend. I am so sorry to learn of her passing and send heartfelt condolences to all her family. Rest in peace forever more, Laurette. One day we will get together up there and hash over high school memories and smile again.*
