This video brought back so many memories of Austin as a little Gilchrist Grizzly with AnnaLee. We are both so sad to hear about your sweet boy and can't begin to understand the sense of loss you must feel. What a wonderful video tribute to his life. We will hold you all in our prayers that you find can find the peace that passes all understanding.

“ *I played football and wrestled with Austin. I remember Austin as a tough competitor, and a team player with a lot of heart. There was a time when I was struggling with a drill at football practice, and Austin stayed after to help me get it down.*

Austin was friendly, and well-liked. I'm so sorry to hear of his passing and his family is in my prayers.

“ *My heart is sad with the loss of your sweet boy. My prayers are with you all today. My boys and I have many fun memories with Austin playing baseball and football at Lincoln. He was a fine young man and such a gentleman. I always enjoyed having him ride along with me and his teammates to away games during the baseball season. I felt like he was one of my own sons. A big hug to you all today!*

“ *Rest in peace Austin. You were always an amazing athlete and a great guy. I always loved being on the same team together because I knew I was going to play with someone who was going to work to be the best player out on the field. I'll always cherish the memories that we shared together and you will be missed by all of us.*
