“ *Barbara was always telling stories of how she loved working as a waitress, also her favorite story to tell was how she made her applesauce (I made some the other day and thought of Barbara when I make applesauce I will always think of her) . She was a great neighbor I enjoyed visiting with her talking about cooking , and how well her plants were growing. She loved her grandchildren and really enjoyed the great grandchildren she always loved to talk about them. JoAnne, Joe thank you for taking such good care of her I know your family appreciated you. And Jody thank you for being there for your Gigi and for your mother. I'm going to miss walking in the front door and giving G a kiss and hug.
