“ So many good memories of her as we (Marsha and Cass) grew up! She was always so nice to all of us kids, letting us swim in the pool, and hang out, and letting us drive that big 'ole whale of a car of hers to go out!!! God Bless her, Thank you God for taking her home, she had suffered enough, God Bless her family left behind.--Lisa Crawford, Tallahassee, FL.

“ Barbara and I were best friends when we were in high school. We played basketball together, were cheerleaders together, and just hung around together. She was a good friend-a good person. But, she moved from St. Augustine and so did I. We lost contact with each other, and I regret that. I know her family and friends grieve the loss of her. I'm so sorry.

“ I want to tell you what a wonderful friend Barbara was to me. She and Stanley were so kind to include me in holiday dinners. We traveled together to Jafra conferences and to St Augustine. She was a wonderful cook and willingly shared her recipes. But most of all, Barbara was a kind and thoughtful friend. javascript:void(0);
