“ As a neighbor of Bill and Faye since Dec. 1998, it was their home and yard that made my heart beat for this neighborhood the most! Not "the only home" in the neighborhood that stole my heart, of course, but certainly one that I continue to admire and respect today. Even better, the personal bond I had with the couple who designed and built this beautiful home themselves! Their home and property are simply the outside of what is so beautiful about the couple who live inside. Repeatedly, I am told by friends and family , even other neighbors, "This house on Westmoreland Drive (they describe it), is my favorite home in this entire neighborhood! I just love it!" To which I reply, "Then you'd love the people living there just as much! They designed and built that home and they've lived in it and maintained it themselves all these years. They are the most wonderful neighbors." Bill always let my grandchildren take the time to pet Sprig on his many walks through the neighborhood. We're always thinking of you, "All"ways!

*Peace and comfort be with you, sincerely-  
Candy Strand and family*

“ To the Brady Family, you have my deepest sympathy. It is so rare to see marriages stay together for so many years. Hard to imagine all the many memories you created and shared together. I hope the encouraging words at 1 Peter 5:7 can help you rely on your Creator during this time, to provide you with the strength and encouragement you need. Deepest Regrets
