“ From Mega and Hunky and written a bit out of the norm, this message is for you, Bobby. First, we decided Luke would be waiting for that great big bear hug you always gave the children (you gave it to us adults too)! Secondly, thank goodness for the memories. These past 60 years were full of happy-sad-glad-mad-magical-painful events that bound us as family (also as friends). Then third, the "bestest" gift of all (with thanks to Amanda and Jeff), you became a grandfather (Pa Pa) to your amazing grandchildren Wesley, Darla, and Sam, very much like the "Pa Pa Barefoot" who helped raise Mega, Jane, and Beck. Thank you for being an important part of our lives. We love you dearly, as always, no matter what!
