My family and I have been so blessed to know Ms. Joyce. I have always loved her and I already miss her so terribly. She and I shared a lot of laughs and fun secrets when we met at the mailbox. I love you my beautiful lady and friend. Love your neighbor and friend Linda Proehl.

“Joyce was so special to me. A surrogate mother at the office when I arrived in Tallahassee to work at THF. She had only the best intentions for me. She was easy to love, as I know Ron confirmed this daily. I enjoyed being their friend. They broke the mold. I will love and miss you 4-ever! ❤️
