

Brenda Weisiger

April 16, 1948 - May 18, 2026

Brenda Joyce Allen Weisiger, 78, an angel on earth, has left those that love her most on May 18, 2026, after a long and courageous battle against cancer. Born in Tampa, FL on April 16, 1948, she went through life with only gentle words and a pure spirit. Never has a stronger, kinder, and more patient saint blessed the world.

She will be deeply missed by her daughters; Michelle Oliva (Armando), Allison Weisiger (Roy Carr), Lisa Gans (Joey); grandchildren; Jacqueline Oliva (Kevin Earnshaw), Evan Gans, Amelie Gans, and Lucia Gans; sister Henrietta Walter (Ebe), brother James Allen, Jr. (Tracy); and of course, the countless family and friends that loved her absolutely.

She joins in heaven her grandmother, Alice Barber, whom she credits with her eternal faith; her parents, James and Rose Allen, and all of her beloved family who went on before her.

In every ocean wave, every family moment, and the stories of the past, she will be remembered with such enduring love. Though the family grieves the loss, she is finally at peace.

A celebration of life will follow Graveside service at Tallahassee Garden Club, 507 N Calhoun Street, Tallahassee, FL 32301

In lieu of flowers, please consider a donation to the Moffitt Cancer Center Foundation. May a cure be found for future generations.
