

## Mr. Brian Clay Hatcher

October 26, 1981 - April 10, 2021

Brian was born in Singapore on October 26, 1981 to Larry Clay Hatcher and Jane Allen Tillman.

Brian has one daughter that he absolutely adored, Hannah Kylann Hatcher. Hannah brought Brian so much joy and you could visually see him brighten any time she was around.

Brian worked as a land surveyor and took pride in his work. Brian loved with his whole heart and was a giving soul, always trying to help a friend. Brian rarely, if ever, met a stranger and once he called you his friend, that never changed. Brian had a big personality that will forever be missed by the many people who loved him.

Brian leaves behind his mother, Jane, his daughter, Hannah, his sister, Beverly, his sister-in-law, Jennifer, his nephew, Addison, his niece, Rhyley, his uncle, David, his aunt, Sheila, his cousin, Scott, Scott's wife, Erika, daughter's mother, Nicole and his special friend, Lindsey.

Visitation for family and friends is at 1:00 PM, Saturday, April 17, 2021, at Abbey Funeral Home, with a memorial service to follow at 2:00 PM; face masks and social distancing required.

“*Brian was a true friend. We met in high school and became part of a close circle of friends. The times we had were full of rich experiences and we were almost inseparable. After we became adults we did not remain in contact for a long period of time.*

*A few years ago, I was living in Las Vegas and was contacted by Brian via a phone call. He was coming into town and wanted to visit. Joy and I were able to have lunch with Lindsay and Brian. We shared memories, laughed and caught up on lost time. The time shared was of great value to me personally.*

*We remained in contact and Brian was there for me as I underwent an extremely difficult time while in my personal life. When I returned back to Florida last year, Brian and Lindsay came by again while they were in town and we visited in my house for an afternoon.*

*Brian was an extremely considerate person and I valued his friendship immensely. To say he will be missed on this earth, would be an understatement. I have hope I will see him on the other side of heaven and look forward to the day.*

*Thank you Brian for being such a faithful, genuine friend. You will be missed by our family and I will always have much love for you.*

*Sincerely,  
Brandon and Joy Decker*

“ *Unfortunately I was hospitalized this week and can't make it to the service.*

*Brian and I met in High school in Marianna. We became part of a close circle of friends and were together all the time. We shared many experiences and had a lot of fun times.*

*After we became adults we did not remain too much in contact. It was about 3 years ago and my family and I were living in Las Vegas at the time, Brian contacted me for a visit. Joy and I were able to meet with him and Lindsay for lunch and it was so special.*

*From there Brian and I remained in contact. I underwent some difficult times and Brian was there to listen and talk to me during those circumstances. When I returned back to Florida last year, Brian and Lindsay came by to visit us again and it meant a lot to have such a thoughtful and considerate friend.*

*We loved you Brian and you were one of my last true friends. You will be missed by us immensely.*

*Sincerely,*

“ I'm so sorry for the families loss. Brian graduated with my son Ryan Hobbs in 2000. I coached them in little league baseball when they were 11-14 years old. Brian was always a pleasure to coach and be around. It's with great sorrow that we hear this news. Our prayers are with the family at this heartfelt moment. Sincerely, Glenn and Lynn Hobbs
