“ *When I last saw Bryan he was about 11 or 12 years old so a long time ago. He was a full of life kind of guy, eager to grow into the adult world quickly. He loved playing cops chasing bad guys video games. if asked to help out with some chore,, he willingly pitched in. I am sorry I won't have the chance to see him again in this world.*

Bryan worked for me and i had him work for my whole family, actually supported me with calls, and would just check up on me time to time. during a divorce. He was very honest, cared deeply for his friends, hard working. I tried to help him out when I could. I'll miss him, kind soul.
