“ *Beverly Lewis called us Friday night about Carl. Our hearts just stopped. Carl was such a nice, sweet person. We really loved him and he was always a special person to us. One summer we went to Miami to visit family right after we were married and He and Judy put us up for the night. He was so friendly, he made us feel very comfortable. We will miss him, even though we did not stay in contact. We knew he was around. Your family has our heart felt sympathy, truly a special person. Jerome and Carol Martin*
