“ *Brenda and Jack,*

*I am so sorry for the loss of your Mother/Grandmother "Sis". I will truly miss seeing her going to get her mail and stopping to talk with her. She loved her yard, had a great sense of humor and, she sure loved both of you. She was very, very proud of both of you. Jack, the last time I saw Sis she couldn't stop talking about you and the wonderful future in store for you. Both of you had plenty of obstacles to overcome and Sis watched you climb the mountains and come down the other side. She was truly a blessing in other's lives. Please accept my condolences.*
