“ My Dad was truly the smartest man I will ever know in my whole lifetime. There was nothing he could not do. From working on motorcycles & cars to restoring the houses he bought & everything he did was truly perfection... From installing a furnace to installing a floor & putting a new roof on the house he had... He was so handsome, Marlene you are one lucky woman... At the end he looked so much like his son (my brother Rich), & he didn't even have any gray hair lol !!! I truly loved you Dad and I will miss you very much... I am at peace with your passing as I know you are not suffering any more, so just rest easy Dad, because I know God has wrapped his loving arms around you, and I will see you again someday I love you so much Dad.
