“ *On behalf of the Seminole Boosters & FSU Athletics, we send our deepest condolences to the John Family in the passing of Mrs. Cheryl John. Cheryl was a beautiful soul that loved her Noles no matter! She was at every single game cheering them on even when the game results weren't in the Seminoles favor. She was a shining light during the dark times and always had a smile on her face. It was an absolute pleasure being able to work with her and I am honored to say that I knew her. No matter what was going on health wise, she remained positive, strong and always put others before herself. Cheryl will be truly missed and we are so thankful we were able to have so much love and support from her.*

“ Cheryl was the cheerleader of all cheerleaders in high school. She kept the student section and band in high spirits! It is apparent that she continued that enthusiasm in college and afterward, with strong support for 'her' college team. Good memories of a strong, influential lady. God bless the family with strength. Lois Nelson Parker, KHS class of 1974.

“ Cheryl was more than my best friend, she was a sister to me. We laughed, we cried, and we shared secrets together. I am saddened that I am not able to be in town, but she surely knew how much I loved her. May her family and friends find comfort in knowing how much she was loved.
