“ *This is such a beautiful picture of Christina and exactly how I remember her sweet face. I have not seen Christina since our elementary school days at NFCS, but I remember her as always being so kind and sweet to everyone in our classes. I am so very sorry for your loss.*

“ I remember Christina back at NFC. She was always very kind to me personally and I always loved giving her a good laugh. I remember always seeing her and made it a point to always say 'hi' throughout the day. Her smile was warm and always made the day a little brighter no matter what. It is with deep regret and condolences of the news of her passing. May her light continue to shine in her memory. God bless.-Dean Crump class of 1987.
