“ So deeply sorry. Wish I could be there with you all. She was a lovely girl. I will always remember her as Nina, so cute as a little girl. I remember her running around in her diaper saying "I bare naked". She is with Melva now. I'm sure Melva was happy to see her even though her life was too short. Love you Mark and Becky. “ - Christina had the biggest heart I've ever seen in a person. It didn't matter if you were a close friend of hers, or you're just someone in the moment. Whoever the person, she'd stand by you in a second if you did right beside her. She didn't live in the moment, she lived for the moment. She was a friend to some, a best friend to many, an enemy to few. She'd give her mother the world at her fingertips, and I know that woman will live the rest of her life making her daughter proud. God works in mysterious ways, but Christina has finally gained the wings that were invisible. She's flying high, and I know she'll be watching over all of us as we live our life for her. I love you, Christina! Fly high angel

“ *I have no words to describe the pain in my heart at the loss of Christina and Luke. I have known Christina since she was 10 or 11 and she and her family have become one with ours. We have spent so much quality times and fun times together since I first became the Girl Scout troop 349 (Nana). I love you sweet girl and now have another piece of my heart missing. Becky, David, Scott, Peggy and Larry, what can I say I love you all dearly and I will always be here for you. I am so sorry and I will miss Christina calling me nana and the big hugs I always got from her.*
