“ Chris was a special person who was thankful for all God had blessed him with, his family and kids, his work that he loved and his Love for the Lord. I was blessed to have known him even for a short while. I get to see the evidence of his woodworking talent every day on our campus and will always be thankful for his love for our ministry!

“ *Mr. Davis recently had completed the removal of a tree in my yard and I spent significant time speaking with him during the work. He spoke proudly to me of his children. I had told him I had never seen a man work as hard as he did and I imagined he did so with the love of his family in his heart. My sincere condolences to Christopher Davis' family. “ *During our many hours of working together nearly every week, Jason was always happy even during the stress of many difficult situations he was upbeat and encouraging. We shared tons of laughs and even some tears but he was always kind and willing to help anyone in need. He was a wonderful man who loved his family and friends and he will be missed by many. He will always be remembered by those close to him for the unconditional love he gave.*
