“ Courtney had that unique gift of making peoples' lives brighter just by knowing her. You couldn't help but love her. In the short time I knew her I saw a beautiful, extremely caring, generous woman who loved life. I'm blessed to have known her and she will be greatly missed.

“ What can I say other than heartbroken! What an Amazing Soul~ So many amazing childhood memories through graduation. As adults we were catching up on Adults life adventures from going our separate ways but she was one that no matter how long we went without speaking, it was just like we saw each other yesterday and nothing was different! She sure will be truly missed. Lacy, cherish the memories and hold on to the Love your momma taught and showed you! You were and will always be her true love ❤️ With Love and Prayers going forward ❤️ Christy
