“ My deepest condolences to you Karen and the rest of Craigs family. Craig was a very professional Police Officer and supervisor. Craig had a very calm demeanor which made him ideal for the firearms instructor at the range as well as riot control training, self defense tactical training etc. He was very compassionate and dedicated to the safety of his "Blue Blood" family at C.G.P.D. as well as the community he swore to protect and serve. I am honored to have worked with him, he will be missed and never forgotten. Rest in peace Lt. Craig R. Leveen

“ Craig,
*My brother from another Mother and Father.
It's almost 58 years since I met you in our neighborhood in South Beach. We shared life's ups and downs. School, bicycles, cars (including a Chevy on fire and a Roadrunner Hotrod), scuba diving, golf, football on flooded golf course and so many more memories. We learned about sports and girls together. Learned to play Jai Alai and Racquetball (where we dominated Flamingo Park courts). We went to college together, learned to Disco and shared some amazing times with our other lifelong buddies, David, Dickie and Michael. I remember the annual trips together, drinking, skiing, white water rafting, drinking and yes drinking. You have been and always will be a significant piece of my life and will always occupy a front row seat in my heart and mind. Thank you for always being there, my brother, my friend. Rest in Peace and know that I will keep your memories we created here on earth while you create new ones in heaven.*
Love, Max

“ You’ve probably heard about the guy who would give you the shirt off his back. I know the guy, his name is Craig. He was the kindest, most generous and loyal person I’ve ever known. To confirm this you have to look no further than how he treated friends and his fur babies. Craig had a fantastic sense of humor and was always up for another adventure. You are missed my friend.

“ Craig was not only a great supervisor to work for while in Coral Gables, but he was also a great friend and a hilarious individual. After Craig retired and moved to Tallahassee it made it easy to keep in touch with him since I was a Florida State fan as well and traveled there every year. My wife and I shared dinners, barbecue’s and laughs with him and Stacey. We even made plans just about every year to travel to some away FSU football game somewhere. We traveled to Colorado, Utah, New York, South Carolina, Virginia, Oklahoma and Texas to name a few places. That group started out with three of us and grew to eight very fast with the addition of our wives and other friends. Those trips were some of the best times I have ever had in my life. I don’t believe I have laughed so hard when this group got together, and Craig was a major reason why. He will certainly be missed and remembered fondly by myself and everyone else in our group. Rest in peace, Craig and our condolences to his family.

“ Craig and me dancing at Nene Fest dressed as a chili pepper and pea pod, Craig's cool style whether donned in police uniform (I've only seen pics), Hawaiian shirt and hat in his red Thunderbird, or camping at the beach with Georgia herding the group, Craig's key lime pie, his pranks, smile and laugh, Craig and me with our crazy friend group quietly watching all the others loudly debate politics, lox and bagels together this past year, and the sweetest story ever when he took Stacey to NYC and surprised her with a true New York style intimate jazz show to see their favorite guy, Steve Tyrell. When my camellias are in bloom they will forever be my nod to Craig and Stacey. Xo

“ Craig was a member of our eight person FSU "away" game travelling team. We travelled to Syracuse, Maryland, Clemson, Colorado, BYU, Oklahoma and Virginia to name a few. Craig always kept us laughing in one way or another. He enjoyed his friend and he loved FSU. You will be missed my friend. I'm in Kentucky ole buddy or I would be there to sing your praises.

“ Craig was a member of the Tallahassee Dog Obedience Club. He was a great person and I enjoyed working with him setting up rings and performing the heavy lifting.

“ Playing racquetball with Craig was a great pleasure. He would joke in a way which was simultaneously playful ribbing and a genuine compliment. He would call me the rabbit, though he was just as fast as I ever was. If you got him good using technique instead of power, he'd say you dropped your purse, or simply say "no fair!"

I'll miss him greatly. Thank you for the happy memories, Craig <3

“ Craig was not only one of my all time favorite racquetball buddies, but also a good friend. I'll never forget him singing full spirited "Sweet Caroline" with the crowd at FSU baseball games. We kayaked the Wakulla river together (Craig's first time) and he kept asking, "How much further till we get to the bridge?" All I had in response was "Hang in there Craig, should be around the next turn." The event timing was bad, catching a strong, outgoing tide. On more than one occasion, Captain Craig treated his racquetball buddies to a river excursion on his pontoon boat. We really enjoyed the lunch at Riverside Cafe afterwards. Over several years, Sandy and I loved his barbeque event the weekend of the FSU vs. Miami football game. Craig was an awesome host, a true gentleman and a guy that would do anything for you. I loved that guy! Rest in peace, brother Craig. I'll be looking for you when I am called home! Jim

Craig, I'm saddened by your passing, but recognize you are in a better place and no longer suffer. I can picture you and Stacy dancing and walking hand in hand as you revel in the Kingdom of the Lord.

You were a remarkable soul and true friend. You demonstrated this in every activity you took up. I was thankful when you joined our racquetball group at the YMCA and then we moved to the Fitness Center on Adams St. Your competitive spirit was strong and you won often. I will hold you in my memories. Thank you for letting me experience you and Stacy!
