“ One of my memories of Curt Jr., is of him fishing for Pompano at Santa Rosa Beach, FL.. Another cherished memory is of Curt Jr. and Marcia coming to my 80th birthday party at CCCC even though most of the people there were twenty years older than they were. Our families have been friends since we grew up in DeFuniak Springs, Florida. Curt Jr. was a very polite and courteous gentlemen and always seemed to have a smile on his face.
