“ *I had no idea we had lost our Dianna. We worked together for many years and I so treasured her in every way. Many times in my life, I have wondered what Dianna would do when I needed some guidance. She was and is one of God's greatest. I am grateful for every moment I was in her company.*

“ *I have very fond memories of Diana. Growing up, the Foleys were like a second family to me. Diana was always so good to me. and she treated me like I was part of the family. I am sad for the world to lose Diana, but I know that there is a special place in Heaven for her.*

“In our family, Dianna is the second oldest and I am the second youngest. I am not sure if this is why we had so much in common but she certainly was my mentor. She had the biggest heart and she always gave so much of herself to the ones she loved. She was the family matriarch and every single one of her siblings and/or their families benefitted from her generosity. Please continue to watch over us, we need you. I will miss you so much

“Life brings tears, smiles, and memories. The tears dry, the smiles fade, but the memories last forever.” by Malik Faisal

*“We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.
It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.
You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.
Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.”

“ I have so many wonderful memories with my mother in law. We had so many great times at their house. There were always so many kids and so much FOOD! Mom always knew how to make sure we were well fed. This Thanksgiving will be very hard. Since Shaun and I have been married (2004), we have spent almost every Thanksgiving with his family. Mom always had something new from her cookbook that she wanted to try. I will greatly miss our long talks and laughs. I know you will be watching down on all of us. We will be thinking of you and missing you so much. Lots of love--Dana
