“ Jean Messer was a wonderful woman, exemplary teacher, and a loving follower of Jesus! One of my favorite people at Kate Sullivan Elementary School, Jean was my daughter’s fourth grade teacher. She loved her students and was a great supporter of parental involvement and of me as a two-time PTA president. We were, also, friends at church where Jean was a lady who walked the talk, especially, to many in prison, as she and Bert shared the gospel and showed the love of Jesus. I know she will be missed here on earth, but it is a joy to know we will see her again. Our thoughts and prayers are with her family at this hard time.
