“ Cousin Edna, or Ruthie as I used to call you, I have so many fond memories of when I was a kid and we were growing up together. You always let me hang out with you even though I was seven years younger. I thought you were so pretty and so cool and I wanted to do everything that you did. I know we weren't able to get together much as we got older since we lived so far away but I am very thankful for the little bit of time I got to spend with you a few years ago. You were an amazing and beautiful lady who was taken way before her time, You were loved by many and will be greatly missed. I know you're in heaven now with the rest of our family that's passed on, I'm sure it was a big celebration when you got there. Sending love and prayers to the rest of the family that's left. I know this is a very difficult time for them. Until we meet again in heaven one day. I love you! ❤️ -Rhonda

“ Edna was an absolute pleasure to work with and her DOR family misses her dearly. When I moved into Information Processing a few years ago she immediately accepted me as one of the family and made me feel at home. She was always willing to help her co-workers out and I appreciated her willingness to lend her extensive knowledge to me as I learned our processes. Edna was my “next door neighbor” at work and walking down our aisle will never be the same without her warmth.

We shared a passion for FSU sports and I enjoyed our many football, baseball, and basketball discussions over the years. Edna loved her family tremendously. She would light up with pride and joy when talking about her husband, children, grandchildren and other family members.

Edna was well loved and she will be sorely missed.

“ *Truly my 2nd Mom! If it had not been for you there would have been nights I wouldnt have eaten or had a roof over my head (you know because I thought I was grown). You were there for me just as your own. Not only did you welcome me into your family but the Uncles, Grandma and Papa welcomed me too. Then you and Michael were there for me and Kate again when we moved back to Tallahassee and through the years. You will truly be missed but we know you'll be watching over us along with Grandma, Papa and JR. I love you mom!*

You were always willing to help out in any way you could no matter what the problem and I adored you for that. Your family may have tears of sorrow right now, but they will come to understand that you are in a much better place.*

To my dear sister-in-law Edna, 15 years ago you were called for an emergency around 2:00 in the morning by your brother Wayne to come and drive his wife and their son Stephen to Shands Hospital, Gainesville. You didn't hesitate. Arriving there at 5:00 to find he needed emergency brain surgery you stayed all day and finally left to drive home that night. You were the reason Wayne and I could make it through that day and I have always blessed you for that love you showed to me and our son. Love always, Wayne, Simone and Stephen will miss you, Joan.
