“ My condolences to the Daughtry family. Aunt Evelyn as I knew her was a loving and kind woman. As the grand daughter of Fay Carter, Raymond's sister, and daughter of John Perry, my most vivid memories of her were cooking the delicious food served to share at the fish fry dinners with vegetables from their garden after a day on the river fishing by my grandfather produced copious amount of those delicious fish to eat. The cauldron that the fish were cooked in fascinated me as a small child. She was always a gracious host and made my little brother and I feel welcome. May your memories keep your heart warm and bring a smile to your face always. With love, Christine Perry-Alexander of Colfax CA.
