“ I will miss you until the day that I come join you. Your smile and laughter will forever fill my memories. My heart and prayers go out to all the many, many people who loved her and had their lives touched by her. A special prayer for her mama who Felicia spoke of often with love in her eyes. May God wrap his arms around her and give her comfort as she processes the loss of her baby.

“ *Felecia had a light and energy that was captivating. She brought so much joy to everyone’s day. I am so glad we had her for the short time that we did. I would rather suffer the devastation of losing her than have never known her. I know heaven doesn’t know what hit it. I love you and miss your face. Rest easy my love.* ”
