“ Dear Uncle and Peter, we are very sorry and shocked to hear the news about Louis. I do remember Louis when he visited the UK with Aunty Carlotta and Uncle Fermin many years ago. Thinking about you both at this difficult time. Rest in peace Louis. Love from your cousin Liza in UK (Hilary's daughter)

“ Miss you my friend. Your body failed you, then God took control. I know you are at peace. Words can't capture our feelings over your sudden departure. We were supposed to all grow old together with hopes of travel and good times. Guess God had other plans for you. So many meals at so many restaurants over so many years. We will never forget our friend.

“ Shocked and saddened by the news, Louie was always such an upbeat and cheerful person to be around, loved to tinker with his cars and provided many hours of "volunteer" work helping us with our many failing Buick AC systems. Rest in Peace good man, you are missed.

“ *Cleo and Peter,  
I'm shocked and saddened by the loss of a true friend. Louie was always there to help and very generous with his time and knowledge. I know he loved his family and looked forward to retiring and enjoying life. I'm truly sorry for your loss and know we will all miss him. God Bless, Jim & Lorraine Robison*

“ *Romans 6:23 For the wages sin pays is death, but the gift God gives is everlasting life by Christ Jesus our Lord, because of such gift or sacrifice we have the hope of living again if we die and be in line for eternal life. It gives comfort to know that this life is not all there is. My thoughts are with your family and may God grant you peace.*

“ *Carlotta and Cleo were my neighbors, and they so looked forward to seeing Louie. He usually brought shrimp, which Carlotta enjoyed cooking for him. I will miss visiting with him and hearing his stories. My very deepest condolences to. Cleo and Peter. May God bless us all.*
