“ How do I tell any one about Frank. He always was able to make me laugh, he loved all of us deeply and completely. When we found out he was terminal he wanted to go see his Vermont family one more time so we did. Driving 2 days with terrible pain he not once complained. He was a wonder at everything but most of all he was great at being a father. the loss is so great with our son only 3 months ago passing it is hard to talk about. Please know I loved him  
❤️ Thank every one for prayers and thoughts
