“ *My Uncle Garry passed away. I had no idea he needed a lung transplant. I have said my goodbye to him & know that he knows I love him as true love never dies.*

As a young lady with no clue on automotive mechanics-he helped me & taught me so much when I really was in need. I cannot thank him enough for that and for being himself. He loved his family dearly, was a work-a-holic, Great Dad & Husband who left his family with no wont. I pray that they find peace, as we are all in shock, I think. This is so hard to believe.

“ I'll never forget when Garry first hired on at Marpan He made sure you knew that it was Garry with 2 r,s and Mcneel with 2 e,s. That was how his mother spelled it. I'm sure gonna miss him.
