“ I've had the pleasure to know George for a very long time in my life. I can honestly say that he was, and still is, one one of the finest human beings I've ever been blessed to know. My heart goes out to the Kolp family. My heart is truly saddened but his memory is eternal.

“ My husband and I met George several years ago when my son, Luis, introduced George and Patti to us at a local restaurant here in Tampa. What a pleasant evening we all had. George had a special warmth about him and a lovely smile. Patti and I couldn't stop chatting. Eventually, my son married their beautiful daughter, Kim. What a lovely wedding at their home. Lovely photos. We are deeply saddened by his passing but know that our heavenly father has his arms around him and loving him.

“ I was Georges next door neighbor and we were playmates before we ever went to school. We went 6 years to a country school and the next 6 to Jr. / sr. high. Graduated and then lost touch. Had lots of good times. He was one of my brothers best buddies. My deepest sympathy to all of his family. Mona Schendel Ketzeback
