“ Mr. & Mrs. McCormick,

*On behalf of our family and our son “Jarred” we send our sincerest condolences. We met at Tallahassee Memorial in the ICU family room when our son was in the hospital room across from Jordan. Jarred’s Dad & I sat with you and your wife and we talked about the situation that we both found ourselves in with our sons. When we felt we needed to get back to our boy’s, we held hands and prayed, and Mr. McCormick you unselfishly prayed for our son “Jarred” and put your desires for “Jordan” aside for the moment and lifted my family up in prayer. Since that day I haven’t stopped thinking of you both and your lovely family. Every time we saw each other in the hallways, and or family room they were offering us food & water. It displayed the love a family has for God and each other and it gave me hope for you and your family.*

*I will never forget you all and I pray that God will wrap his loving arms around you and your family during this difficult time.*

*Betsy McCray & Family*
