“ *Uncle George was a gentle giant, heart of gold and full of wisdom... I will always remember staying with him and Aunt Carol as a kid on the weekends. Hitting the road in White Lightning his prized bronco. If you ever were chewed out by him, that was his way of loving you. That was Uncle George. RIP Uncle George go dance with Aunt Carol. Save some of her famous drop biscuits when we meet again.*

“ George was a great and successful man. He had a heart of gold and he will be missed greatly. He was my mentor growing up and I looked up to him as a role model. We worked together for many years and taught me what I know to this day. He nicknamed me "Dawg". We had alot of good times fishing, laughing, playing ball. He will be greatly missed. Prayers to the family. RIP Big Brother

“ I will always remember the cook outs Uncle George hosted at his house with Aunt Beverly. Everyone always had such a great time laughing, sharing memories and jokes, and just being around each other. My favorite cook outs were for the 4th of July, and Uncle George, Wayne, and my dad Tillman, would fire off the fireworks for all of us to see and enjoy.  
Plus Uncle George always greeted us with the biggest bear hugs. I will miss that the most.  
I love you Uncle George. I know you will be watching over Aunt Beverly and all of your kids, grandkids, nieces and nephews, brothers and sisters and mother, plus all other family members and friends.  
You will be missed. Love you and we will never forget you.

“ Such sadness to read of George's passing; especially seeing that big smile on his face. George did some concrete work for us and it was a delight to get to know him. We bonded over our love of flowers and he was generous in sharing some plants from his garden. It was a gift that keeps giving as I have passed along many of the off springs of those plants. I mentioned his smile, his generosity but his sense of humor is right up there also. Although I only knew him briefly, his memory is strong and positive.
