

Ms. Glenda Kay Jones

September 19, 1951 - October 31, 2016

Following a several year battle with extreme difficulty, but yet filled with bravery, grace, determination and above all, dignity, Glenda Kay Jones peacefully passed away on Monday, October 31, 2016, surrounded by her loving family. Even during her struggle, she had a quick wit and great sense of humor.

A daughter of the late Horace and Era Phillips Jones, Glenda Kay was born September 19, 1951, in Greenville, Alabama. Also preceding her in death is a brother, Marcus Jones. She was a legal secretary with the State of Alabama. A friend to all, she was always thinking of others and giving to others. She was also a rescuer of animals.

She loved the mountains and beaches and enjoyed fishing, as well as watching golf and football. Gardening and interior decorating were also hobbies she enjoyed.

Survivors include her children, Kerri Conger, of Prattville, AL and Cody (Despina) Conger, of Pensacola, FL; siblings, David (Shirley) Jones, of Verbena, AL, Janice Sconyers, of Havana, FL, Therrel (Frances) Jones, of Scottsboro, AL, Michael (Maria) Jones, of Dunnellan, FL, Pat (TR) Munn, of Ozark, AL and Nancy Easterling, of Ariton, AL. She is also survived by a sister-in-law, Kali Callies, as well as numerous nieces, nephews and other

loved ones.

We will miss your beautiful smile, the twinkle in your eyes, your contagious laugh and kind and giving personality.

In lieu of flowers, memorial donations may be to Big Bend Hospice or an animal rescue foundation of your choice. Online condolences may be expressed at www.abbeyfh.com.

“ Glenda was my friend for 34 years. I could not ask for a better one. through thick or thin we always found things to laugh about. We met often for lunch or breakfast to talk about our children. She loved her family very much. From trips to the casino to trips to the doctor, she was my cohort in mischief. I will miss her for as long as I live. She was loved very much. My prayers and condolences go out to her family. Keri and Cody I love you.

“ Glenda will be missed, she was a compassionate person. I worked with her at PSC and she instantly became a friend. I kept in touch with Glenda and gave her encouraging words to help her through her courageous battle. She would always encourage me as well and tell me how much she loved her family. Thank you Janice for the love you showed by taking her in and allowing her to live with you so she could get her treatments. God will forever bless you for the kindness you have shown your sister and I know she was very appreciative for your help. My prayers will now be focused on the family for the strength needed to endure such a great lost.

“ *To my dear friend Glenda. I will never forget the first day I met you at Ariton High School, year 1967. You and your family had just moved to Ariton from Marbury, Al and I was so lucky to have a new girlfriend who was my age, just 10 darts apart and your name was Glenda Kay and mine was Linda Faye. Our days together were inseparable in that I spent so many nights at your house and we spent so many afternoons together planning for the next school day. Our Senior Year, 1969 has us still all over the walls of Ariton High School even though it has since been rebuilt. Your beautiful blond hair and blue eyes caught the attention of everyone. My "happy place" was your house and your loving family. As we moved on in life I always had you in my heart, thinking of you and praying that you were OK. My tears for you are filled with prayers for your children and family in knowing how much you loved and were loved too.*

May you Rest In Peace my dear Linda and I hope and pray that one day we will see each other again.

“ Glenda was a neighbor of mine in Montgomery for awhile. If nobody
told you, you wouldn't realize she was fighting such a hard battle.
*Big smiles, positive attitude and we would visit on her porch now
and then. I'm glad that I got to know her a little. RIP, Glenda. Gone
too soon. Cathy Powell*
