Glenna Jo Kester, born on November 24, 1955, to Horace and Barbara Kester of Tallahassee, Florida, peacefully entered eternal rest on Friday, November 15, 2024.

A proud graduate of Rickards High School, Class of 1973, Glenna built a distinguished career with Federal Express, dedicating over 30 years of loyal service. She was also the founder and owner of Kester Legal Services, where she established a reputation for professionalism and meticulous attention to detail through her notary work in the Big Bend area.

Beyond her professional accomplishments, Glenna found joy in many hobbies that reflected her vibrant spirit and creativity. She loved exploring yard sales, shopping for hidden treasures, and expressing her artistic side through arts and crafts, including sewing. She was a passionate gardener and a devoted animal lover whose warmth and kindness left a lasting impression on all who knew her.

She was preceded in death by her father, Horace; her mother, Barbara; and her brother, Monte. Glenna's legacy lives on through her two beloved sons, Justin Cole Kimbrough and Lloyd Jackson (LJ) Kimbrough (Andy Pitts); her cherished siblings, Dave Kester, Pam Rocco and Cindy Collins; her adored niece, Cathie Burk; many other nieces and nephews; and her treasured fur

babies, Jasper, Sophia, and Missy.

Honoring Glenna's wishes, no formal services will be held. Instead, the family plans to celebrate her life at a later date. In lieu of flowers, donations may be made in her memory to Tallahassee Big Dog Rescue, reflecting Glenna's lifelong love for animals.

Her gentle spirit, unwavering love, and creative energy will be deeply missed but forever cherished.

“ Yes she was in my class 1973, we knew each I was artist of class. It's unusual that I got to speak with her not longer after she passed we did have words about politics but it was to hear her voice God blessed her.

“ What can I say about you that everyone doesn't already know? You started out as a mentor to me and ended up being one of my favorite people ever. Our work day started out with looking at the daily mugshots and laughing then checking out the Craigslist ads and laughing 🤔. Saturday mornings consisted of us meeting up and taking off in your big caddy to buy other peoples junk, which often consisted of drive bys or people forgetting to take out the trash. You are missed terribly but you're no more than a thought away. Love ya, G 💜Boom
