“ Aunt Goldie,
You were not my aunt by blood, but I loved you as if you were. You and your family was around us for so many years, and we had many good times. You will be missed so much. But I believe you are in a better place now. I love you and will always think of you.

“ Goldie was the kindest person I have ever known. She was gracious and generous to her own detriment. She helped me through the worst times in my life with her kindness and great advice. I will miss her everyday and can't wait to see her when this life is done. I know she is with Jesus and her mom, dad, brother and nephew. God bless you Goldie for your love and grace you showed me. You were the mom I never had.

Goldie was a good neighbor and a friend. She was a loving mother to her children and a great role model for all the children that she came in contact with. Peace and comfort to all the family and I pray a blessing on all of you that you will have "The Peace that pass all understanding".

“ I don't know what to say; the first person I met when moving to Leon County so many years ago is gone. She was a friend, indeed, that you would never have to wonder whether or not she was there for you - she was always there. I talked with Goldie the day before she died and she was so filled with wanting to get out of the hospital and go home. Well, one thing for sure, she is now with her daddy and mama, and her brother - what a reunion that is. I know she is in a much better place than I am. Goldie, my friend, I will miss you so very much. I'm glad you are not hurting anymore, but what am I gonna do when I don't get a phone call from you. Love you my friend so very much. I will see you when I get there and we will make up for lost time.
