“ *I am saddened to hear of Grace’s passing. She was an important person at a crucial time in my life.*

With all of life’s ups and downs, Grace looked forward with a positive attitude and exuberance for life. She was stubbornness with a purpose and so, with that, decisive with a focus on getting things done, constantly moving with boundless resilience, persistence and true grit.

My deepest sympathies go out to the family.

“That best portion of a good man’s life, his little nameless unremembered acts of kindness and of love.” — William Wordsworth
