“ Known to my family as "Granny" she was a beautiful woman with a big, good as gold heart. She took my girls in as if they were her own grandchildren and they have many fond memories of Granny. She loved her family and would do anything she could for them. I remember spending many evenings at the gymnastics center with her while our girls were practicing. A beautiful soul has left this earth but she has left behind many fond memories and touched many hearts.

“My Granny is a wonderful woman. She touched everyone's heart she came into contact with. She loves kids and Jesus, and loved to have fun. She is so beautiful in so many ways. She is loved so much and she loved and cared about her family and friends so much. She loved to have family get together and spend time with her kids, grandkids, and great grandkids. My granny taught me so many things and was such a good friend and granny to me. I will never be whole again she is a huge part of me, I will never forget my granny and all the good she has done here on earth and lives she touched just by knowing her. I love you Granny, love Kristina .
