“ I am Johnny Marsh, the only younger brother of Harold Jr. Harold Jr. was the first born of the Marsh family. He was like a guardian angel to me and my deceased Sister Patricia. Harold was always there for me. He was kind, gentle, intelligent and respectful to everyone. We both went to the same high school and I took some classes that he took, We had the same teachers. The teachers would ask me why was I so different than Harold.

The last twenty years of our lives, we became very close. We spoke often by phone for at least one to two hours per call. That part of my life I will really miss. During one of my last phone conversations with Harold, he told me he loved everybody and I believed him. Because of Harold's love, I know he is in Heaven. Although Harold is gone, his memory is in my heart and I pray that the Lord will find me worthy to join Harold & Patricia in Heaven someday with the rest of my family.

God bless you Harold with peace & love and know you will be greatly missed. ❤️

To Kathleen, Tamara & Stephanie, our heartfelt condolences on the loss of your beloved husband & father. God Bless each of you with love and peace during this difficult time. 💕

Lots of Love Johnny, Dorothy Uila & family.
