“ I chatted with Harriet several times on the phone and online. I am just sorry I never got to meet her. She is the only sister that I did not have the pleasure of meeting. Such a sweet person and asked me several times to visit her with Elsie. I'm sorry I did not. Prayers for Harriet and the family. Hugs, Karen

“ My heart is broken. As a young child I was afraid of the dark. Aunt Harriet would remind me that angels were watching over me and kiss me on the cheek. Some of my best childhood memories are because of my Aunt Harriet and cousins Pam and Mike.
