“ My dearest Dawn, please know my heart breaks for you during this sad part of life's journey. Allow the memories to stay in your heart forever, as they will be what carries you through the tough days. There will be tears, but let there be smiles too, as above all Jimmy loved to make people laugh. Please know I am always here for you... Take all the time you need, for each of us grieve differently and there is no time limit on grief, because precious memories aren't made overnight. Lifting you and your family up in prayers and hugs.
