“ I'll always remember your smile and laughter. You were the life of the party and lit up a room with your presence. We had many years of road trips together, planning life, and just being friends. You will always hold a special place in my heart. I pray for your mom and dad at this time and their loss of you. Rest in Peace my dear friend.

“ *My uncle who was like my 2nd father. So many great memories with you you were such a big part of my life and a person I always loved to be around. You were a blessing in so many people's lives and always fun to be around. I will always cherish the times we spent together and you will always live through me. I will definitely miss you but you will always live on through you loved ones. Until we meet again. Love you always Cody Allen*
