“ Robert, I am so sorry to hear the loss of your mother. Ms. Janice was a good lady. She would call me if she thought that she had some shoes to fit my narrow feet. Most of the time, she has some. Ms. Janice loved talking to me about her sons, and proud them too. Remember all the good times. God will be with each of you during this time of sorow.

Love,  
Janice Cooper Jones

“Kenny, Robert and Tommy, you may not remember me, but I remember all of you from the years our families were across-the-street neighbors on Charter Oak Drive. Tommy wasn't born when we first moved there, and Leslie, our youngest, was only about six months old. Your mom and I got to know each other really well, visiting back and forth, and drinking many cups of coffee together over long conversations. We sure knew a lot about each other! She took me out to a farm to pick field peas, something I had never done, and another time we went to Monticello to have lunch with Spot's mom who was living on a plantation managed by a relative. We laughed a lot together! We still visited a lot when your family moved out to Fanny Drive, but over the years we slowly lost touch, sadly. I am sorry I will not be able to attend Janice's memorial service. I am out of town until November or I would definitely be there tomorrow. She was a good woman, a smart woman and I learned a lot from her. I'll be thinking of you all tomorrow. Jan (Janice) Dughi RuBino.

“Tommy, so sorry for your loss. I still remember our good times working together at JCPenney talking about "Coach Bowden & her passion for the Seminoles". She had a hard outer persona but very soft hearted on the inside. A woman with a big heart and cared about her family.

“ *Oh Aunt Janice where do I begin. You used to tell us not to call you Aunt, just Janice when Uncle Spot corrected us if we didn't say Uncle. I always loved how close you and my Momma were, one of your boys even remarked at Uncle Lester's memorial wherever you saw Gloria Jean you usually were too. I'll never forget all the fish fries, Mexico Beach, Indian Springs and all the holiday dinners. Your dressing was so delicious. I will always love and remember you. I know you are home with God and all your loved ones, what a homecoming. So I'll hold onto the memories until I see you again.*

“ When I first met my mother in law I really didn't think she liked me. She was a lady of spunk and had a very special spirit about herself. Once she figured out if she cared for you or not you would have a friend for life. My mother in law fell in love with me and words can't explain how much she means to me. We shared 4 wonderful years together and I will cherish every moment. We loved to make my husband Kenny meals together and she would always ask me what are you cooking now and does he really like that. She always stayed in the kitchen with me until everything was completed and would have the table set for us to sit down and eat as a family. Momma J I love ❤️ U with all my heart and you will always be a part of mine and Kenny's life. You raised a great Son💕

“ Mrs. Janice and I would go out to dinner many times. She always enjoyed her seafood! I have missed our times together over the past few years. She is not suffering any longer! I'm sorry for your loss!
