“ Jeff was a such a Kind, Talented, Creative Man. He made George and I two Angel Night Lights that were so detailed when they were lit they looked so real. We will cherish them even more. His love of his Exotic Car Lotus was a joy to hear his stories of how knowledgeable he was on its beauty and mechanics. You have touched our lives in so many ways. You will always be in our hearts.

“ Jeff was kind, loving, creative and hard working. He loved his family and was devoted to them, especially our mother. I will miss him and our talks about politics, work and what's going on in our lives. I know he is now celebrating with the Lord and in the arms of our dad and brother. Love you Jeff,
