“ Jerry was a great man, gentle in his approach and friendly as a person could be. I enjoyed the moments I spent with him and pray The Holy Spirit on Carol, Georgia, Billy and all the family grieving his memory.

*May he rest in peace until we meet again.*

“ Jerry was a teacher, a mentor and a friend to me. I owe my career in fingerprint identification to Jerry, as he is the one who trained me over a decade ago and planted in me an interest in the Science of Fingerprints. His passion in teaching the Science of Fingerprints led me to want to pursue a career in the discipline. More than 13 years later, here I am, proud to call myself one of "Jerry's Kids" as he was responsible for training and instilling a passion for fingerprints in so many others as well. I'm so sorry to hear of the loss of Jerry, his memory will not be forgotten. Love and Prayers for the family.

“ Jerry was a special friend and a devoted family man. His love for Carol and Georgia was always evident. He could make you laugh without even trying, just being himself. Great memories of Jerry are certainly around fishing trips and suppers together with our wives. After we would fish all day and catch few, Jerry would often say "let's take the girls out for a nice dinner." We didn't do it often enough, but enjoyed those times we did spend together. Jerry will surely be missed in so many ways, but we thank God for the years we worked together, fished together and enjoyed his company.

“ We remember Jerry from King's Way Christian church and Calvary Chapel. I remember him predicting Tiger Woods would be great long before he won anything. I remember his gentle, generous character. Our sympathies go out to Carol and Georgia.
