“ John, in knowing only what I read about your dad "Jack" he not only served bravely to protect our cherished freedom's but dedicated his career to the educational enrichment of our FL youth, including through programs near and dear to you and I. What could make a son, and your family more proud. His blessings will stay with those students he touched and whose futures will be brighter thanks to him. I am sure a lot of father-son, and family moments filled your rewarding years with him and you are blessed to have called him your Dad. Thinking of you in you time of loss. John Dittmeier.
